Figlinski Receives State ‘A’ Rating

The ratings received were as follows: Helen Mueller, serious declamation, “C”; Rodden Blom, extemporaneous reading, “C”; Richard Brunner, non-original oratory, “B”; and Eugene Figlinski, non-original oratory, “A”. Because of his “A” rating Eugene was eligible to participate in the State Forensic Contest which was held at Madison, on the University of Wisconsin Campus, April 14. Eugene received an “A” rating at Madison also. Congratulations Eugene.

SENIORS ATTEND “SENIOR GUIDANCE DAY” AT PULASKI

More than five hundred students from neighboring schools attended a “Senior Guidance Day” program conducted Thursday, April 19, at Pulaski High School. Among these five hundred students were thirty-nine Bonduel High Seniors accompanied by Miss Balistreri.

The day-long program, designed to provide graduates with information that would be helpful in choosing careers, opened at 9 o’clock with registration.

The principle speaker of the day was Max Hayes, supervisor of the State Counseling Service, who discussed “Prospects For the 1951 Graduate.”

From 12:45 to 1:45 group meetings were held in which various trades, professions, and business opportunities, were discussed with specific answers given to students who had questions about these fields.

At 2 o’clock the assembly opened with community singing led by Joan Gritt of Seymour high school, after which a panel discussion was held in order to answer questions submitted by the various schools.

The Guidance Day program at Pulaski was the first one held in this area and it proved to be “highly successful.”

The Rocket Speaks!

Have you counted the days? For your benefit if you have not, there are just nineteen left!! There are many important items for you to consider in order to make these last nineteen days of this present school year pleasant for everyone included in our school system.

Remember, there is no disgrace in having to spend twice as much time to master an assignment as someone else, but there is a disgrace which comes when one gives up before he or she has mastered the assignment.

Remember, if you must chew gum, be neither seen nor heard.

Remember to be courteous and kind to your fellow schoolmates and anyone you come in contact with.

Remember that you are not a privileged character around B.H.S.

Remember that school walls and school desks are not scratch paper.

Remember not to be a window gazer—maintain the status of keeping your physical form either completely in or out of the building.

Remember to meet a situation fully prepared. Bring your books, pencils and paper to class. Do not count on your neighbor to supply you; he too may be a borrower and not a lender. He, too, may be broke.

Remember not to bluff your way in any situation. Prepare your assignments and there will be no need to bluff.

Remember that there is a place for all waste paper.

Keeping these nine points in mind is not enough. Remember them and apply them. In order that they be of any importance to anyone practice them and carry them out to their fullest degree.

MARSHALL MEISNER AND IVAN KLOSTERMAN TO ATTEND STATE FFA MEETING

The Bonduel F.F.A. Chapter will send two delegates, Marshall Meisner and Ivan Klosterman, and their instructor, Mr. Aderhold, to a state F.F.A. meeting to be held at the Green Lake Baptist Assembly grounds.

Ronald Drage will attend the meeting to receive the State Chapter Farmer award.

Mrs. Schauder's girls really got their exercise Fri., April 20 when they all went around the horn which is two and a half miles. Some of them ran most of the way and made the trip in twenty five minutes. A few of the girls took their time and made it in an hour. One day the girls took a trip up to the park and had fun playing on the slide and swings. If the weather stays nice the girls will be having gym outside from now on.

**BONDUEL BASKETBALL
TROPHY EARNED BY
B. H. S. FRESHMEN**

The little Bears won the Bonduel Basketball Tournament and received the trophy, which is now in the office. Other teams which competed for the championship were: Bear Creek, Oconto Falls, Marion, Pulaski, Gillett, Bowler, Lena and Bonduel.

Most freshmen boys are going out for track and every morning you can see them running around the "horn."

In science Mrs. Schauder has the freshmen learning the Morse Code, so if you hear "Di's" and "Da's" you know they are studying the dots and dashes.

"Tin Hero" coming May 7

**TAKE ME OUT TO
THE BALL GAME**

With the exception of peanuts and crackerjacks the baseball team is getting into the swing of things. They found victory over Oconto Falls and fell victim to Marion. The fellows did a fine job even if the weather was against them in the Marion game.

Coach, Charles Kugel, has selected the following boys to make up the Bonduel Bears baseball team: Elmer Richter, Don Theyel, and George Vanden Brook, pitching; Jack Krull, Rod Blom, and Jim Moeller, catching; first basemen, Joe Schuelke, Jim Boerst and Marshall Meisner; second basemen, Ken Schwiebert and Bob Dobratz; Jim Dobratz and Bob Hoefs, shortstop; third base, Max Dingeldein and Ronny Graf; the outfield, Jack Herb, Wally Klosterman, Dale Druckrey, Louie Kroll and Arnold Montie.

The first game the Bears played was a practice game with Shawano, Tuesday, April 17, but no score was kept.

The first real game of the season was played with Oconto Falls, Friday, April 20, which Bonduel was favored with a score of 6 to 1. Elmer Richter hurled a no-hitter, the run that Oconto Falls made was made because of two errors. The high-light of the game was when Joe Schuelke hit a triple with the bases loaded. Bonduel had four hits while Oconto Falls had none.

Saturday the Bears traveled to Marion, where they lost due to the weather. The Bears were doing well with having a 5-1 lead at the end of the third inning, but then fortunes turned with the weather and at the end of the fifth inning, Marion led with a score of 14-7 due to the fact that there was a little wild pitching of seven walks in the last two innings. Louie Kroll and Jack Herb were the high-lights of the game with both having home runs.

WE WUZ ROBBED!

The liveliest night of the year was the night of the Senior-Faculty game which the faculty lost by the score of 57-42.

The seniors were dressed in glamorous blue and white striped pajamas as they took the floor for their pre-game warm up. They had to battle a determined faculty team which was lead to war by that world-renown coach, "Schnoze" Sohr.

Some of the faculty players showed great promise during the warm up. "Hurry" Niles shooting arm was a bit rusty until "Charlie-Boy" Kugel—who looked elegant in a shimmering baseball uniform relieved him of a few dozen wraps. "Splits" Korn was appropriately dressed in a hula skirt. "Cassalong Hopidy" Reinke (or what ever his name was) was clad in long underwear with lovely red sequin patches. 'Tis said his wife brought them along from a fashion show which was held at Paris recently. "Shuffle Foot" Weix looked lovely in a pair of grey sweat pants. To contrast with the grey of his sweat pants "Shuffle Foot" wore a glamorous dark blue, street length, off-the-shoulder bathrobe. As Mr. Fowler made his debut upon the scene, he was seen in an exquisite baseball suit. The crowd was so dazzled by "Fish Bait" Aderhold's splendid shooting and great accuracy that they were unable at this time to describe his attire.

Some highlights of the game were the faculty's sharp shooting and timely lucky streaks which did much to aid an unworthy cause. However the senior chargers continual scoring put the game on ice.

At this time may we mention the cheerleaders for both teams?? Now that we have mentioned them let's go unto a more limber subject (remember, Miss Grenier?) The senior cheerleaders were dressed in their usual garb and so were the faculty cheerleaders.
